HV-130 M

IE HV-130M

- Professional high voltage output amplifier
- 3ch input microphone
- 2ch input aux source audio
- Bass & treble tone control
- Optional pre out audio
- Single channel 130 watt rms output power
- 70 volt & 100 volt output impedance
- 10cm x 48cm x 42cm (h x w x d)
- 10kg weight
- Intelligent electronic high voltage component

HV-4500M

IE HV-4500M

- Professional high voltage output amplifier
- 3ch input microphone
- 2ch input aux source audio
- Bass & treble tone control
- Optional pre out audio
- 4 channel x 120 watt rms output power
- 70 volt & 100 volt output impedance
- 10cm x 48cm x 42cm (h x w x d)
- 12kg weight
- Intelligent electronic high voltage component
